CAREER OBJECTIVE

Motivated B.Tech student seeking internship opportunities to apply programming, data structures, and machine learning knowledge in real-world projects while gaining practical research and industry experience.

EDUCATION

- B.Tech – IFHE Hyderabad (2024–2028) | CGPA: 9.03
- Intermediate – Sri Chaitanya Institutions (2022–2024) | 94%
- SSC – Revathi High School (2021–2022) | GPA: 9.7

PROJECTS

Tree Plantation Management System

Developed a system to record and monitor tree plantation activities and manage plantation data efficiently.

Student Social Media Addiction Prediction (ML)

Built a machine learning model to analyze students' social media usage patterns and predict addiction levels using data preprocessing and ML algorithms.

DECLARATION

I hereby declare that the above information is true to the best of my knowledge.
